Re: Amended Reports

Dear Ms. Rocco:

This notice is to inform you that through a database error the July and August 2007 Monthly reports for the Securities Industry and Financial Markets Association PAC were mistakenly amended. There were no changes in those reports and we did not intend to amend them. Rather, as discussed in our Form 99 of October 20, 2008, it was our intent to amend the June, July and August 2008 Monthly reports along with the September 2008 Monthly report. Those amendments are being filed today so that all of the Year-to-Date as well as Cash on Hand balances should match.

Thank you for your understanding and for your attention to this matter.

Sincerely,

Amy Mathis

Assistant Treasurer
